New Business

The Congregation Council distributed Trinity's Plans for the 2008-2009 Fiscal Year. Trinity Youth Services reported verbally for Little Lambs and Kids Klub. There have been ulterior improvements made to the school's building and plans to get 10 new computers. They will be working with Pastor Lerseth on the common goals of the church and the school and how best to implement them.

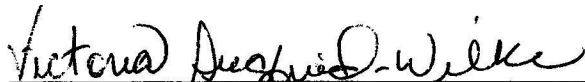

Parish Education submitted a detailed Youth and Family Christian Education Plan, which included changes in Sunday school and second worship service tunes. Professionally staffing the nursery, children's church, relocation of the teen room, and new adult classes are also proposed. Brock Bentson asked that everyone support these important changes for Trinity.

Plans for reviewing and updating Trinity's Constitution and By-Laws were also announced. Pastor Lerseth will be working with Congregation Council on this effort. Bill Rayner volunteered to work on this team.

The plans for the 2008-2009 fiscal year were adopted as proposed after a motion from Elaine Tredinnick and a second from Bill Rayner.
