

# Trinity Youth Services

May 2010

Dear Parents,

Wow! -- Another school year is about to end -- the saying of *time flies* seems to pick up speed each year as I age! I look forward to the warmth and reawakening of life that spring brings, but I don't look forward to the absence of the children and their parents with the ending of the school year. So many of you will say goodbye to us at the upcoming Little Lambs Certificate Ceremony, and Kids Klub just quietly draws to an end. I hope you all know in your hearts, that while we appreciate the trust you have shown us by enrolling your children in our programs, most importantly we appreciate the opportunity you have given us to come to know you and your child. Thank you so much for the precious opportunity to let **God's light** shine through us and onto your child. And, for the opportunity to enrich your child as we prepare them for their next successful educational transition, be it either onto the next level of preschool, kindergarten or on to their school classroom for our Kids Klub children. We will miss you! Continue to walk in **His** light!

God Bless--Christine Hartfelder

## **A Hearty Thank You!**

Thank you to all our Little Lamb, Kids Klub, and Trinity families who have picked a star and donated items that will help fill our summer camp craft needs.

There are still a few stars left on the Bulletin board at the center so for anyone still able to help - don't be shy!

If you have picked a star but not yet dropped off materials, please do so soon as we are already starting to purchase these items with camp beginning soon ☺.

**Thanks Again!!!**

## HAVE A GREAT SUMMER!

## SUMMER OFFICE HOURS CHANGE

**Office hours will be by appointment only during the summer.**

In an all out effort to roll back and reduce operating expenses during the summer, we will not staff our office except for appointments. Please help make this successful by leaving detailed phone messages so that we may best serve you.

Enrollment and tours will continue throughout the summer, but they will need to be scheduled. Drop-ins or dropping off of enrollment papers will need to be scheduled. So... just remember *phone first*, so that we might schedule a convenient time for you!

**SUMMER CAMP YOUTH VOLUNTEERS**

**Wanted...High School Volunteers  
For Little Lambs Summer Camp**

Is your child college bound and needing some volunteer hours, or projects to log onto their college applications?

As a non-profit organization we can meet this need, and you will have fun doing it too!

We are looking for a hands on energetic individual to help with Little Lambs Summer Camp set up and break down, as well as to help move things around during our day. The teaching staff will direct you as these needs change throughout our day.

Volunteers can commit to full weeks or specific days of the weeks for the summer. Our camp runs for 10 weeks, and our volunteers would need to assist from 9:00a.m. to 3:00p.m. So far we have a volunteer for 2 of 10 weeks!

If you think your High School student might be interested in being a Summer Camp Youth Volunteer have them contact me for more information -- Christine Hartfelder/Director @ 847-546-1044.
