

# Little Lambs Extended Care

## Who We Are

Little Lambs Extended Daycare provides a safe, reliable and nurturing place for children while parents/guardians are working. We are open from 6:00 a.m. to 6:00 p.m. and are available for before, after, half, full, and vacation days off from school. Our teaching staff is knowledgeable and friendly, and most of all, dedicated to helping children grow and develop in a welcoming and supportive environment with fun and age appropriate challenges.

## Mission

Our mission at Little Lambs Extended Daycare is to provide a safe environment where the child is involved in a broad variety of hands-on experiences and where they learn to work and play cooperatively in a Christian environment.

## Happiness

We believe that everyone in our center should be treated with kindness and respect. We aim for each person who walks through our doors to feel welcome, supported, and appreciated. We always try to have a positive outlook on each situation and promote happiness through kindness and caring for others.

## Vision

Trinity's Little Lambs Extended Daycare provides seasonal art projects, dramatic play, circle time, and open choice exploration. We believe children at this stage learn best through hands-on exploration as well as open-choice activities that are guided by the teacher.
